What we are working on

Reading: Students compared and contrasted two or more versions of the same story by different authors or from different cultures.

Skills: Students learned to recognize and use "ou" and "ow" spelling patterns.

Writing: Writers learned to use strong and mild interjections in dialogue. They applied this knowledge when writing plot summaries of Grimm's fairy tales. Thursday and Friday, the students wrote the two parts of a fairy tale recipe (the ingredients and the directions) as they incorporated components of fairy tales.

Math: Mathematicians learned to use the associative property to subtract from 3-digit numbers.

Social Studies: Students identified how communities grow and get smaller based on the reasons people move to a new communities.

Homework

Reading Logs: Reading Logs are due: *Tuesday, 3/1*

Students should continue to read and visit the AR website to practice Math Facts in a Flash...
