Newsletter #24
February 22nd - February 26th

2nd Grade Classroom Newsletter

Room 213

What we are working on

Reading: Students continued to compare and contrast two or more versions of the same story by different authors or from different cultures to learn how to identify similarities and differences. This week we used two versions of Cinderella.

Skills: Students learned to recognize and use compound words.

Writing: Writers used their knowledge of fairy tales to create their own. By the end of the week they created goals for themselves and published their stories before sharing them with the class.

Math: Mathematicians learned to use the associative property to subtract from three-digit numbers and verify solutions with addition, Reviewed strategies for varied addition and subtraction problems within 1,000.

Science/Social Studies: This week the focus was on understanding that communities change and grow overtime depending on the demands of the community.

Homework

Reading Logs: Reading Logs are due: *Tuesday, 3/1*
** New Reading Logs are coming home today! **

Students should continue to read and visit the AR website to practice Math Facts in a Flash...

<https://hosted252.renlearn.com/245193/homeconnect/>

Spelling:

I'm don't isn't we've we'll wasn't
it's I've didn't you're you'll can't

Challenge Words: they're wouldn't

Math: Math packet found in folders.

Social Studies: Students research a Colorado attraction. This attraction could be a man-made or physical location. For Example: **Man Made:** The Aquarium, The Denver Museum of Nature and Science, Colorado History Museum.

Physical Locations: The Rocky Mountains, The Platte River, Red Rocks, Sand Dunes. The students might already have an attraction picked in class. They are encouraged to take notes or print information or pictures (very small) about their attraction and bring it to school as soon as possible.
