## What we are working on

**Reading:** Students worked to read non-fiction texts and then identified the main idea and supporting details. Readers then formed an opinion based on the texts that were read.

**Skills:** Students recognized and spelled words using r-controlled vowel patterns (-ar).

**Writing:** Writers reviewed how to use commas to separate lists of items. They also continued to work on planning and writing a personal narrative.

**Math:** Students continued working on subtraction strategies while checking their answers by using addition.

**Science/Social Studies:** Students identified different ways that communities change and why the changes occur.

## Homework

**Due: Wednesday, 3/16**

**Reading Logs:** Reading Logs are due: *Monday, 4/4*

Students should continue to read and visit the AR website to practice Math Facts in a Flash...

### Spelling:

horn story fork score store corn  
morning shore short born door four

**Challenge Words:** report force

**Math:** Math packet found in folders.

**Writing:** We are continuing our young Author's project. During the month of March students will have a writing project to complete. We will celebrate in April with an author's tea after school!

**Step 2: Due March 16<sup>th</sup>...**

Turn in completed rough draft—this is just to check progress. *Parents should be doing most of the editing at home. It will be returned the next day. If students choose to type their writing you may email it to me or print it out and hand it in.*
